Letter from the Director

Dear Resident,

This summer will be an action-packed summer for the Parks and Recreation department. Progress continues on Pitchford Park and we are still targeting a late summer, early fall opening. After a very generous donation from the family of Paul and Annette Lucido, we are exploring the best available use options for the Lucido River Park. These will be two very exciting amenities that we will be providing to our residents. As always, we will offer eleven free special events for families to enjoy.

The time has come to plan your activities for the spring and summer months. Please take time to look through our “new look” R.E.A.C.H. program catalog. Our staff has worked very hard to offer programs for all ages. Hopefully, we’ve offered something that interests you. On behalf of the Parks and Recreation department, enjoy the nice weather, and we hope to see you at some of our special events.

Salvatore A. DiCaro Jr.
Director of Parks and Recreation

Thank You

Thank you again to the Four County Community Foundation for supporting our effort to upgrade the Macomb Township Aquatic Center's pool lift! This new wheelchair lift was installed the week of September 26, 2022. It replaces the original lift that was installed in 2004 with the opening of our facility. After 18 years of care, we were very fortunate to be recipients of this grant to help offset the cost of the lift replacement. Over the years we have used the lift as a means of transferring patrons, both young and old into our pool to allow them to gain access to our swimming pool in a safe efficient manner. The lift is available for use to any person in our facility expressing a need to use it.
